

PARENT PORTAL

Don't miss a moment of your child's day!

Parent Portal gives you **everything you need to know** – while you are on the go!

No more worries about whether your nursery finances are in order, or if you've remembered to notify the nursery of any new personal information – just pop the info in the handy app!

Parent portal gives you:

An easy-to-view newsfeed including nappies, toilet routines, sleeps, activities and EYFS learning

Options to view/request changes to key information, including change of address, allergies, illnesses and medications

'Certificates of Achievement' to brighten up your day!

Account balance and invoice breakdown with downloadable invoices and payment receipts

Easily make contact with the nursery including being able to query an invoice

The ability to add Home Observations

A calendar view of past, present and future sessions booked

You can download the FREE app on android and iOS – just download it from your app store, ask the nursery to send you the sign up email, and create your account – it's as easy as that!

Then you can relax, knowing that you can view your child's activity for the day, whilst you are on the go!

Contact your setting today so you don't miss a thing!
